

Dear Parents and Guardians,

Bienvenidos! to Session 1 of Mill Hill Camp Champs! My name is Susana Picasso, and I will be your full-day Site Director this year. I am a Spanish Teacher Assistant and a Site Director of an After School Program in NY. I have extensive experience working with children of all ages, from nannying to school programs. This is my fourth year working for Parks and Rec with the Camp Champs program.

I would like to introduce Clara, who will be working with me for her second year at Camp Champs. I am excited to continue working with her this summer and know she will be a wonderful resource for our campers. We look forward to having two fun-filled weeks at camp!

There are lots of fun and exciting activities coming up in the next week. To ensure our campers have a great time at camp, it's important that they participate in as many activities as they can!

In addition, I'm excited to be incorporating some Spanish into our learning journey. Whether you're already familiar with a few words or just starting out, I can't wait to practice and learn together!

Here is a list of what you should pack for your child:

- Please always send your child with a water bottle.
- Make sure your child's name is written on ALL personal items they bring to camp (water bottles, lunch boxes, extra clothes, towel, etc.).
- Please send a change of clothes with your child (shirt, shorts, underwear, and socks) in a labeled zip-lock bag. This will be kept for the duration of the session in case they need a change of clothes.
- Your child needs to bring a morning snack—there will NOT be a designated lunch time.
- Please always send your child to camp in socks and sneakers! Our kids love to run around and will be outside, so make sure they have appropriate footwear to avoid injuries.
- Always APPLY SUNSCREEN before your child comes to camp.
- And remember, the number one rule at camp is to HAVE FUN!

Drop-Off/Pick-Up Procedures:

- Drop-off will be at 9:00 a.m. and pick-up will be at 3:00 p.m. at the back circle from Mill Hill School.
- On the first day of camp, please walk your child to their group to meet Clara and I. Be sure to bring all necessary paperwork, including the drop-off and pick-up forms, emergency contacts, and EpiPen forms with the EpiPen labeled with your child's name in a zip-lock bag.

- Please touch base with Clara or me each day to let us know if there are any changes to your schedule.
- During camp, feel free to email me to ms.sipicasso@gmail.com or if you are picking your child up early or if there are any changes to your schedule.
