We highly suggest that you provide your child with plenty of water so that they may bring it with them to the playing fields!

4. Attendance

For your child to experience this program to its fullest, we recommend daily attendance and participation. This will allow your child to meet new friends and get to know their counselor as well not miss out on all the activities we have planned for them.

On Site Policy: Once a child arrives on site, he or she is required to stay unless a parent or guardian comes to pick them up. Friends of the family may pick up your child, but the parent must fill out a pickup form from the Parks and Recreation Department. If a counselor is driving your child the form is also required.
