

Hi Parents, Guardians, and Families!

Welcome to Session 2 of Sherman Camp Champs! My name is Alyssa Peterson and I will be the Site Director for Sherman. Please direct all questions to me during this camp session. My email and phone number are at the bottom of this letter.

There are lots of fun and exciting things coming up in the next couple of weeks. In order for our campers to have a great time at camp, it's important that they participate in as much as they can!

Here are some general housekeeping rules:

1. Please send your child to camp with one or more water bottles.
2. Make sure your child's name is written on ALL PERSONAL ITEMS they bring to camp, such as water bottles, lunch boxes, extra clothes, etc.
3. Please send a change of clothes with your child, that includes a shirt, shorts, underwear, socks, and shoes, if possible, in a labeled zip lock bag. This will be kept for the duration of the session in case there is a need for a change of clothes. You will be getting it back on the last day of Session 2.
4. Your Child/Children need to bring a morning snack.

5.*We are a nut and egg free facility! Please choose your snacks and make sure they are nut free! Thank you! *

6. Please always send your kids to camp in **socks** and **sneakers**! Our kids love to run around, so please make sure to send them in appropriate footwear so they do not get hurt.
7. PLEASE APPLY SUNSCREEN before your child/ children come to camp.
8. Most importantly HAVE FUN!!!

Drop Off/Pick Up Procedures:

- We will be doing drop-off at 9:00 am and Pick Up will be at 12p.m. on the side of the school by the playground. We expect to touch base with every guardian every day (or whoever will be dropping off and picking up that day).
- The first day of camp, we ask that you please walk your child to his or her group

to meet the counselors. Have all necessary paperwork which will include Drop off and Pick Up forms, Emergency contacts, and EPI pen forms with the EPI pen labeled with your child's name in a zip lock bag.

- If you choose to park your car and walk your child to his or her group, you will need to do so in the parking lot as there is no parking in the bus loop.

- Please touch base with your child's counselors each day to let them know who will be picking up that day, or if there are any changes in your schedule.

- On the days we have **waterplay**, we ask that you have your child/children come to camp wearing their bathing suits and water shoes on. Send in a towel, extra clothes, and extra shoes.

- On the days we have **Tie Dye**, a white shirt WILL BE PROVIDED by Parks and Rec so you do not need to send one in!

Here is a list of the fun activities we have going on this session:

Monday, July 6 is our first day of Session 2! Today, we ask that you park your car in the parking lot and walk your child to his or her group so you can meet and touch base with the counselors. I also ask that you bring in all paperwork with you which includes drop off and pick up forms and emergency contact forms. If your child/children have an EPI pen it needs to be in a zip lock bag labeled with your child's name along with paperwork and forms.
